

Subject: Congratulations – Egencia Best Corporate Hotel Award

**Congratulations! You're a Winner**

Dear Seven Urban Suites Marseille,

Congratulations on being chosen as a top property in Egencia's preferred corporate hotel program. Your property and team clearly stands above others and we wish to recognize that through this award – a first of its kind for Egencia.

The Egencia Best Corporate Hotel award recognizes the top hotels in the global Egencia marketplace, as judged by the popularity of location relevant to our corporate customer's preference, pricing within our clients policy and attractive EPR offering.

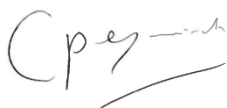

Seven Urban Suites Marseille **is one of only 100 winners worldwide** and has been identified by Egencia customers as consistently delivering superior services, an exceptional guest experience and value for the business traveler. Earning a place on the Top 100 list is a testament to your ongoing commitment to excellence. You have been selected because your hotel's popularity was determined by the volume of Egencia business travelers who selected to stay with you in 2015. Additionally, the quality of stay was based on reviews and feedback from business guests and Egencia agents.

You will be receiving a winners' plaque from your Egencia Sr. Hotel Relations Manager which you may display proudly to your guests as recognition of your team's efforts and achievements in taking care of the business traveler.

We hope that the recognition you receive from being an Egencia Best Corporate Hotel winner serves to further strengthen the reputation and success of your business.

Thank you for being a valued Egencia partner and we look forward to continuing to work together.

Sincerely,

**Christophe Peymirat**

**Senior Vice President**
